

How SignOnSite Uses Your Location

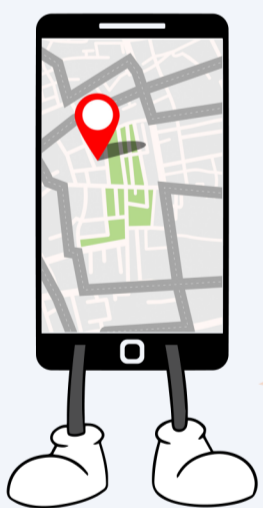

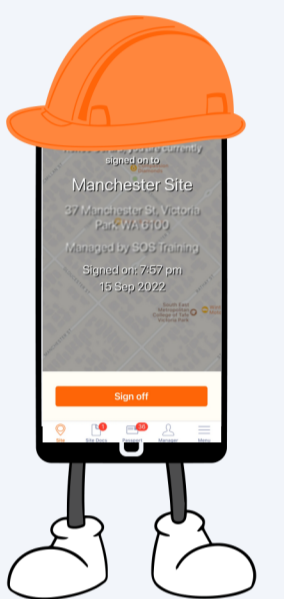

Hey SignOnSite app, wake up! I am on the move.

I'm awake! Are you at a site that the user has registered on?

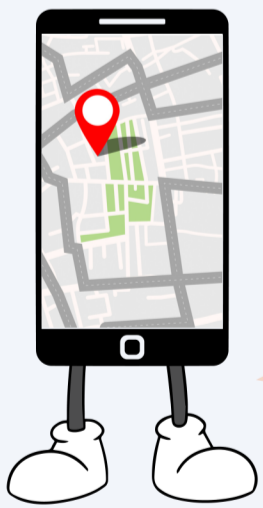

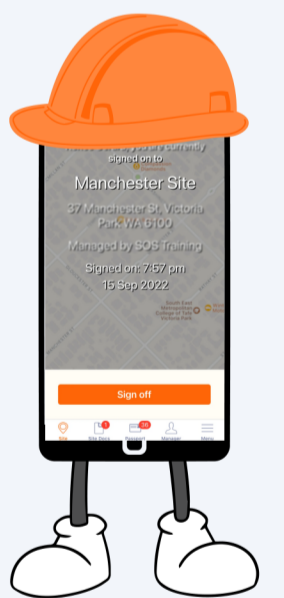

No, I'm nowhere near it at all.

OK! Well then I don't need to know. Going back to sleep now.

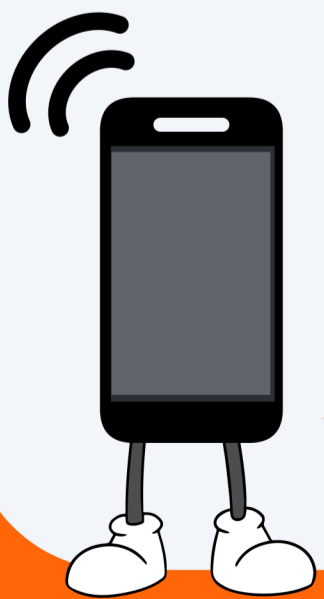

Hey SignOnSite app, wake up! I am on the move.

I'm awake! Are you at a site that BOB has registered on?

Yes! I am on a site.

OK! Give me a moment to sign you on.

Initiating sign on...
{Sign on (BOB) to (SiteName) at (TimeNow)}

Hey SignOnSite Server! Please sign on BOB to the site
